### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: the filing of the Terminal Disclaimer of 10 November 2005 is effective to remove the rejection of claims 1-13 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-10 of copending Application No. 10/668,041. Other art rejections have been previously withdrawn in view of the Response filed 19 August 2005 to the Non-Final Rejection of 20 May 2005. since there are no other outstanding issues with regard to the clarity or enablement of the claims, these claims are deemed to contain allowable subject matter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
